Villa Maria College Interior Design BFA
Alfred State College Interior Design AAS
Articulation Agreement

Agreement Purposes

The purposes of the articulation agreement between Villa Maria College and Alfred State College are the following:

- Facilitate transfer of Alfred State College Interior Design AAS students to Villa Maria College's Interior Design BFA program.
- Allow Alfred State College AAS students to plan their academic careers at Villa Maria College with respect to prior courses, knowledge, and skills.

Admission

Admission to Villa Maria College's Interior Design BFA program is open to Alfred State College Interior Design graduates who:

- Earned a minimum cumulative grade point average of 2.0.
- Earned grades of C or higher for course transfer in all interior design courses.
- Provide Villa Maria College with an official transcript of degree credits earned at Alfred State College.

Program Changes

The representatives of each institution agree to communicate in a timely manner changes in curriculum, policies, and procedures that may affect the terms of this articulation agreement.

Promotion of Agreement

Villa Maria College and Alfred State College may use the agreement and names of each institution in promotional materials, including print and non-print media, as well in institutional activities.

Effective Dates of Agreement

The agreement between Villa Maria College and Alfred State College remains in effect until such time as either party indicates a desire to change the terms of the agreement or cancel the agreement.

Villa Maria College is accredited by the Council for Interior Design Accreditation effective Spring 2011.
