

Affidavit – Students from Countries Designated With Temporary Protected Status (TPS)

Background: The SUNY Board of Trustees adopted a Resolution on December 13, 2022, which authorized the Chancellor or designee to grant the resident tuition rate to undergraduate and graduate students who are enrolled at State-operated institutions of the State University of New York who are attending on non-immigrant visas and are nationals of a country that has been granted Temporary Protected Status (TPS). This was done to assist displaced students in need and as a humanitarian response which acknowledges these students’ inability to return to their home.

This affidavit may be used by campuses/students to provide additional supporting documentation of eligibility.
