

The Alfred State College Lake Lodge is a year-round recreation and special events facility located just 1.5 miles from Campus. The 12-acre grounds offer everything you need to relax or celebrate in the beautiful rolling hills of Allegany County.

The Lake Lodge is owned and managed by Auxiliary Campus Enterprises and Services Inc. (ACES). It was originally built by the Alfred State Student Association in 1959. No state funds were used in the construction or the ongoing operation of the Lodge.

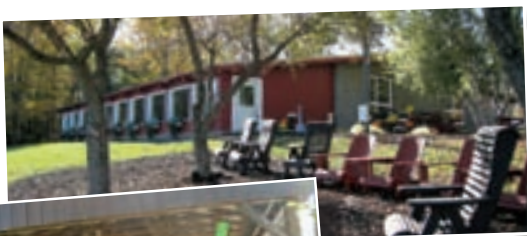

Auxiliary Campus Enterprises and Services, Inc. (ACES) is a not-for-profit corporation that supports the mission of Alfred State College by providing dining services, campus bookstores, telecommunications, transportation and vending services to our student customers.
