

READMISSION APPLICATION PROCEDURES

- I. **Applicants for readmission who have not graduated from the College must complete the application on the reverse side and submit it to the Admissions Office, Alfred State College, 10 Upper College Drive, Alfred, New York 14802. Applicants who are or will be graduates of the College and wish to apply for readmission must complete a SUNY application and process it through the SUNY Application Processing Center for a new program. The new program must be significantly different from the program which the student graduated.**
- II. It will be necessary for students applying for readmission to submit an official transcript for any credit received since attending Alfred State. (Alfred State transcripts need not be submitted by student.)
- III. The Admissions Office will process applications and materials for readmission once they arrive on campus.
- IV. According to the Academic Regulations of the College (402.5 Academic Dismissal), a student placed on academic dismissal may not be readmitted in any College program in the regular semester following his/her academic dismissal.
