

Alfred State College Centennial

Name: Wilbur W. Rounds

Department: Public Safety

Dates Employed: 1965 - 1982

Memories:

Wilbur left the Alfred Village Police Department after 10 years as Chief. He went to Alfred State and established their 1st full time Security department.

He has many endogable memories of his years there - seeing it grow and change with the times.

One of his favorite ones is - trying to get his officers to cut their hair short and face clean shaven in an acceptable way.
