

Freshmen Registration

Curriculum 641 – Digital Media and Animation (BS)

Students who are starting this program during the Spring semester should contact their Academic Department for assistance in choosing appropriate classes.

First Semester Courses:

* Entry level of student into Math and Composition/Literature sequences is a function of student's high school preparation and Mathematics and English placement examinations.

Students who start at a lower level of Math and/or English than what is identified in the typical four-semester program must be aware that it may extend their program unless they take additional course work during the summer or over breaks.

NOTE: Please register for your core courses first then fill in with Comp according to your placement test.
