

# Freshmen Registration

## Curriculum 530 – Nursing (AAS) ASOP

**Students who are starting the Nursing Program during the Spring semester should contact their Academic Department for assistance in choosing appropriate classes.**

---

**If lacking or less than 75 Regents in Math A or Algebra - students must register for MATH 1004 or Math 1014.**

**If lacking or less than 80 regents in Biology – students are recommended to register for BIOL 2303 or BIOL 1104 (NOTE: This course does not count toward graduation requirements and, upon successful completion of Anatomy & Physiology I, will not be calculated in GPA.)**

**If lacking or less than 75 regents Chemistry students must register for CHEM 1013.**

**NOTE: If student needs both Chemistry and Biology they should schedule the Chemistry in the fall semester and Biology during the spring semester.**

### **First Semester Courses:**

NURS 1001 Seminar in Nursing

COMP per COMP recommendation

BIOL 1404 Anatomy & Physiology I (Register for lecture and lab)  
**(only if student has met HS Biology)**
