## COLLEGE WORK STUDY WAITING LIST APPLICATION

If you were not offered a Federal College Work Study Program (CWSP) job as part of your financial aid package at Alfred State College, we will place you on our waiting list for jobs. Should any vacancies occur and you are eligible, we will do our best to place you. Work study jobs are part-time positions to assist you with meeting your educational costs. During the academic term students typically work five-seven hours per week at the current prevailing federal minimum wage. Full-time positions are available during the summer to eligible students. Paychecks are issued bi-weekly.

In order to provide you with a suitable college work study job should a vacancy occur, please complete this form and return it to the Financial Aid Office. Jobs are filled on a first-come, first-served basis according to eligibility and/or position requirements. Waiting list applications are valid until the end of the academic year.
