Welding Technology

Undeclared major is also available.

Application Instructions

1. Submit completed international student application form. All forms can be printed from Alfred State's website by going to: **www.AlfredState.edu/academics/international-education**

2. Submit evidence of financial support, including:
   - The International Student Financial Statement/Form FSA-4; and
   - An official bank statement (copies are not acceptable) on bank letterhead. The bank statement must indicate that the applicant or sponsor has sufficient funds to pay for the first year of study in the United States. Please refer to www.AlfredState.edu/financial-aid/tuition/international-student-tuition-and-costs.

3. Submit the appropriate academic records from all secondary and post-secondary institutions you have attended, including:
   - Official transcripts
   - Matriculation certificates
   - Mark sheets and/or diplomas

   Academic records must be official. A photocopy or a fax of a record without a fresh ink signature is not considered official. If the transcripts are not in English, have them translated into English and notarized/certified.

4. Submit official TOEFL or IELTS score report from the testing center (Alfred State's TOEFL school code is 2522).

5. Submit official SAT or ACT scores if you would like them considered for scholarships, and for those interested in intercollegiate athletics. **Note:** When multiple score reports are submitted, the highest composite score from either the old or new (beginning March 2016) exam is used.

6. Submit at least one academic letter of reference written in English, including a valid email address for the author.

7. Submit a color copy of your valid passport.

8. Submit a $50 USD non-refundable application fee in the form of a money order or cashier's check. Pay to the order of Alfred State. Applicants may also wire money utilizing Flywire by visiting www.flywire.com/alfredstate. Your application will not be processed until payment is received.

Note: Recommended filing dates are May 15 for fall and Oct. 15 for spring admission. Once your completed application is received, it will be reviewed and a decision notification will be sent via email.

Tuition and Costs

Not only is an Alfred State education high quality—consistently ranked as a top regional college in the North by *U.S. News and World Report*—but it's also **an investment with a reasonable price tag.**

Your international student tuition and costs are available online at www.AlfredState.edu/financial-aid/tuition/international-student-tuition-and-costs

There will be non-billed costs for books, supplies, transportation, and personal expenses that vary by student.

Scholarships

Two academic scholarships are available for international students who qualify and apply to begin their studies in the fall semester. They are:

International Excellence Scholarship
Awards up to **$7,000** annually to international students who meet two of the following four criteria: 213 TOEFL exam score (79-80 on Internet-based exam, 550 on paper exam), 3.25 college GPA (90 overall high school average may be substituted), 1270 combined reading/writing and math SAT, and/or are a member of Phi Theta Kappa in good standing.

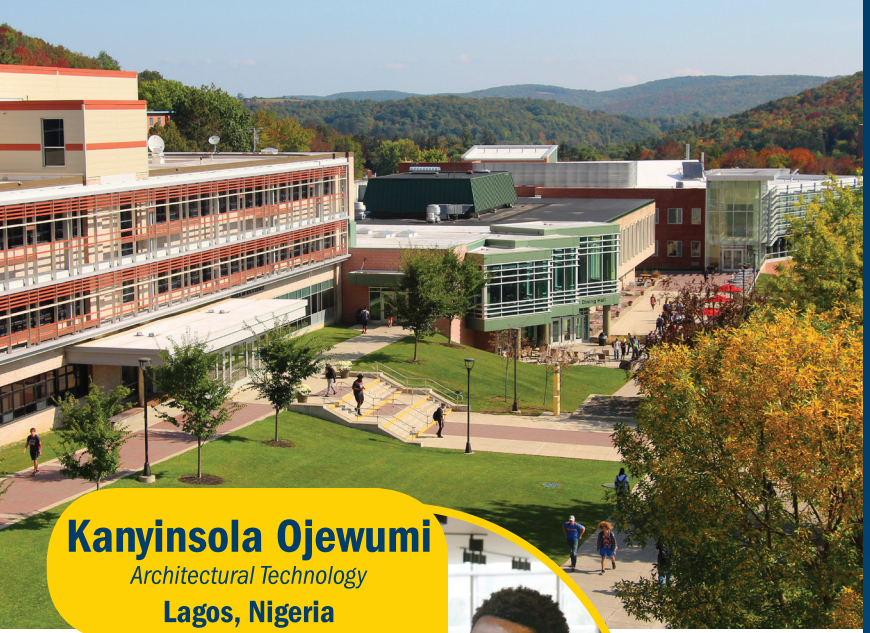
International Merit Scholarship
Awards up to **$3,000** annually to international students who meet two of the following four criteria: 195 TOEFL exam score (71 on Internet-based exam, 525 on paper exam), 3.0 college GPA (an 88 overall high school average may be substituted), 1170 combined reading/writing and math SAT, and/or are a member of Phi Theta Kappa in good standing.

These scholarships are automatically awarded at the time of acceptance to students who qualify. Students who have completed course work following high school graduation must meet the college grade point average (GPA) requirement in order to be considered for a scholarship. International students entering Alfred State through agents or special articulation agreements may not be eligible for these scholarships.

Scholarship information is subject to change and Alfred State does not offer other types of financial aid to international students.

Awad Albariqi
Computer Engineering Technology
Abha, Saudi Arabia

"I like the classes and the way that the professors here teach. They focus on hands-on techniques more than theory, which helps me understand better. I also like that the classes are small. There are usually between 20 and 25 students in each class, sometimes less than that. This gives me more opportunity to ask questions and get the help I need."



Kanyinsola Ojewumi
Architectural Technology
Lagos, Nigeria

"Alfred State has been amazing! It is probably the most cheerful place I have ever been. I've enjoyed getting to meet new people in a new environment."

Each year Alfred State is grateful to be recognized by many different groups for the college's excellence and achievements, including top national rankings. Some of the ways in which the college is proud and honored to be called *the best* can be found at **www.AlfredState.edu/rankings**.
