

2026

New York Construction Materials Association Quality Control Quality Assurance Technician **Recertification**

Recertification Program Information

The option for recertification is for a currently certified person who has had at least one in person certification at either Alfred State or Advance Testing Company to take the written test only if the certified person has been tested by an IAST 2 times in the 5-year certification period. One of these tests by an IAST needs to be in the 2 years prior to recertification. The IAST records will be based upon NYSDOT records. Please contact The Center for Extended Learning at 607- 587-4017 or edwardtl@alfredstate.edu to ensure you are on the IAST approved list before sending in your registration. Please note: All online exams will be proctored using Respondus Monitor.

Recertification cost is \$450 and includes the study manual.
