## Academy Physical Fitness Requirements

All prospective candidates for this program should be aware that our physical fitness program consists of rigorous physical training in three required core areas: sit-ups, push-ups, and 1.5 mile run. Each of these areas require that you spend sufficient time gaining mastery of the three core exercises. In order to graduate, cadets are required to pass the Cooper Standards at a 50% or greater level, as outlined below. There will be a Physical Training test prior to the start of the academy and cadets must be at 40% of the Cooper Standards to gain entry into the academy. All cadets **MUST** take the PT test at Alfred State before the academy. Other PT tests results will not be accepted. Students must be at 50% of the Cooper Standards at midterm and at 50% or greater, of the Cooper Standards at the end of Phase One. There will be no exceptions to these standards.

Male	Sit-up			Push-up			1.5 Mile/Run		
Age	40%	50%	60%	40%	50%	60%	40%	50%	60%
20-29	38	40	42	29	33	37	12:29	11:58	11:27
30-39	35	36	39	24	27	30	12:53	12:25	11:49
40-49	29	31	34	18	21	24	13:50	13:05	12:25

Female	Sit-up			Push-up			1.5 Mile/Run		
Age	40%	50%	60%	40%	50%	60%	40%	50%	60%
20-29	32	35	38	15	18	21	15:05	14:15	13:25
30-39	25	27	29	11	14	15	15:56	15:14	14:33
40-49	20	22	24	9	11	13	17:11	16:13	15:17

It is extremely important that each of you be familiar with your own current physical condition to include overall weight, body fat, flexibility, and upper and lower body strength. These factors may influence your performance when being tested. We urge you to note the Cooper standards to determine your 50% standard measure and test yourself against these standards prior to registering for the academy. \*Please note that it is ultimately up to the individual candidate to successfully meet his or her required physical fitness standard. Our PT staff is available for assistance and guidance, but we cannot guarantee every cadet's success. It is imperative that candidates come to the academy in shape.

I have read the above information and understand that entrance into the academy is not a guarantee that I will fulfill the DCJS mandated physical fitness standards. I understand that failure to pass the physical training aspects of the academy will result in failure to earn academy certification.

3. To complete this pre-employment training program, a student must comply with mandated New York State regulations that include strict attendance requirements; maintaining a notebook; and passing written examination/s.
4. This is a two-phase program. The first phase is conducted pre-employment and the second phase is conducted after appointment as a police officer. Each individual phase of this training program must be completed as a single and cohesive unit. This means that students must complete the phase of the program at one institution. The following phase may be conducted at a separate institution.

Before being appointed as a police officer, a person must complete New York State Civil Service requirements and appointing agency hiring standards (including minimum and maximum age and residency requirements) by taking a written examination and scoring high enough on the eligibility list to be considered for appointment.

11. Upon appointment as a police officer, a person will be required to satisfactorily complete additional training. Failure to complete this training will result in denial of certification by the New York State Municipal Police Training Council. This certification is required by §209-q of the General Municipal Law for police officers to remain in their positions.
12. Pre-employment training will be valid for two years after completion of this program. If a person is not appointed before two years has elapsed, they will be required to attend a Police Refresher Course. After 10 years from the date of completion records on the transcript, the training will no longer be valid (this is consistent with the provision of §209-q of the General Municipal Law pertaining to police officers).
