COMMENCEMENT

## THE ALFRED STATE MACE

The College Mace is, by tradition, a symbol of intellectual achievement.

Alfred State's mace was created by Professor Emeritus Frank H. Nye, Jr. The main body is made from walnut, a symbol of hidden wisdom, strength in adversity, and selflessness. The body of the mace is divided into three parts which represent the Triad of education – the beginning, the middle, and the completion.

The upper body of the mace is sugar maple, the symbol of purity which is solid as a rock.

The four rods stemming from the abacus of a Doric capital signify the historic academic areas of the College: agriculture, allied health, business, and the technologies. In the center is a wider rod which represents the liberal arts and sciences, the core of education. The College seal which adorns the front of the mace represents cultural diversity; the seal is made of padouk, a rare wood from Malaysia.

The top most part of the mace is a walnut circle signifying totality – a complete circle of involvement.

The mace is carried by the grand marshal who is generally the longest-tenured faculty member on campus.

### Academic Recessional

PLEASE JOIN US FOR A RECEPTION IMMEDIATELY FOLLOWING TODAY'S CEREMONY.

*The reception will be held in the Central Dining Hall and Student Gathering Spaces.*

*Professional photographs of your student will be available for purchase at gradimages.com.*

*[NOTE: At press time the students listed in this program were candidates for graduation. Please note that attending the ceremony does not signify that you have, in fact, successfully completed all requirements; unfortunately, some will go through the ceremony, but not be recommended for graduation by the faculty because they have not met all graduation requirements.]*

# ACADEMIC COSTUME

The academic procession, composed of faculty members and the stage party, is one of the most colorful aspects of the Commencement ceremony. The academic costume worn by the participants is based upon codes issued by the Committee on Academic Costumes and Ceremonies of the American Council on Education in the spring of 1980.

The procession is formed in ranks of two except when an individual is being honored; in that case, the individual walks alone. It should also be noted that the last position is the place of honor and the order of march should reflect that.

Gowns, which are predominantly black, are worn by holders of bachelor, master, and doctoral degrees. The bachelor's gown is relatively simple with long pointed sleeves. The master's gown is set apart by a subtle distinction in the design of its sleeves. But the doctor's gown is an elaborate costume marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell-shaped sleeves. It is cut much fuller than the other gowns and unlike them may be ornamental in color.

As these students graduate today, their caps will be adorned with blue and gold tassels indicating the colors of Alfred State. All baccalaureate students will sport bachelor hoods denoted by the following colors:

Architecture .....Blue-Violet	Engineering .....Orange	Nursing .....Apricot
Business/Commerce .....Drab	Healthcare Management .....Kelly Green	Health & Physical Science .....Sage Green
Criminal Justice .....Midnight Blue	Arts and Science .....Gold	Social Science .....Citron

## HONOR STUDENTS

- » *Students wearing bronze, silver, or gold cords around their shoulders are graduating with honors. Bronze represents cum laude status, which recognizes a grade point average of at least 3.5 (out of a possible 4.0); silver represents magna cum laude status, which recognizes a grade point average of at least 3.7; and gold represents the highest ranking, summa cum laude, which recognizes a grade point average of 3.9 and above. These academic achievements will be recognized today when the graduates' names are read as they cross the stage.*
- » *Students wearing the blue and white cords are EOP students who have been inducted into Chi Alpha Epsilon National Honor Society. To be eligible for membership, these students have maintained a grade point average of over 3.0 for at least two consecutive semesters.*
- » *Students wearing a blue cord and a white cord are members of National Residence Hall Honor Society.*
- » *Students wearing black and platinum cords are members of the National Society of Leadership & Success. Students who have been fully inducted are eligible to wear these cords.*
- » *The Philanthropy Pin signifies continuing Alfred State's philanthropic legacy.*
- » *Students wearing gold PTK stoles are members of Phi Theta Kappa. Students must have earned a 3.5 grade point average to be invited to membership.*
- » *Students wearing gold Psi Beta stoles are members of Psi Beta National Honor Society.*
- » *Students wearing the red, white, and blue cords are members of SALUTE who are armed forces representatives excelling in higher education.*
- » *Students wearing white and gold stoles are construction students who are members of Sigma Lambda Chi. Students must have completed 2 years of college and be in the upper 20% of their class to be invited to membership.*
- » *Students wearing medallions with the SkillsUSA emblem have placed in the SkillsUSA Collegiate Competition.*
- » *Students wearing green and gold stoles are engineering technology students who are members of Tau Alpha Pi National Engineering Honor Society. Members must have at least a 3.5 grade point average in a program accredited by TAC/ABET.*

## ALMA MATER

We hail to thee, oh Alfred State

The pride of years gone by.

We offer thee our loyalty

The faith which will not die.

Around the blue and the gold

Our rally is for you.

Remembering in the years to come,

This pledge will e'er be true.

We'll cherish all these memories

Your deeds we shall acclaim.

We love you dear Alma Mater

In our hearts you will remain.
