

Family Education Rights and Privacy Act (FERPA) Annual Notification

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records.

Student Rights

1. The right to inspect and review the student's education records within 45 days after the day the College receives a request for access. A student should submit to the Student Records and Financial Services Office a written request that identifies the record(s) the student wishes to inspect. The Request to Review Education Record for a Student Form is available on the my.AlfredState.edu portal under Documents and Forms; Department: Records Office. The school will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the College to amend a record should submit a written request to the Student Records and Financial Services Office clearly identifying the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested, the student will be notified in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before the College discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. Alfred State discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the Alfred State and/or the State University of New York – SUNY in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Alfred State and/or the State University of New York – SUNY. Please see the full listing of allowable disclosures below.

Directory Information

As defined by Alfred State, directory information includes name, addresses, telephone numbers, dates of attendance, Alfred State e-mail addresses, date and place of birth, college major, expected date of graduation, degrees, awards received, photographs, enrollment status, participation in officially recognized sports activities, weights and heights of athletes, and most recent previous educational institution attended. The College can release this information without the student's written request. However, under the Family Educational Rights and Privacy Act (FERPA), students have the right to refuse to permit disclosure of any or all of these items without their prior written consent. Students who prefer not to have their directory information disclosed must sign a statement so attesting. This can be done using the Student Request to Prevent Disclosure of Directory Information Form available on the my.AlfredState.edu portal under Documents and Forms; Department: Records Office. The form must be submitted to the Student Records and Financial Services Office before 11 a.m. of the census date (last day to register) and to continue in effect, must be done each and every semester of the student's attendance. Under FERPA, if the Student Records and Financial Services Office does not hear from a student by that time, the student's directory information may be released.

Alfred State's policy is that student directories will be available for internal use only. The Student Records and Financial Services Office will issue these directories to offices upon request. Distribution of student directories (including labels) to third parties is prohibited. This is in compliance with provisions of FERPA. Further, the Student Records and Financial Services Office will provide directory information to the military upon written request as mandated by the Solomon Amendment.
