# PRACTICE MAKES PROFESSIONAL

With hands-on learning in every major, you know ASC is focused on career-ready students.

Pioneers become entrepreneurs or work with great employers including: Apple, Bank of America, Kaleida Health, LaBella Associates, Mercedes Benz, NY Rangers, New York State, Paychex, Perry's Ice Cream, Siemens Energy, and the US Dept of Agriculture, to name a few...

Our career focus and **200+ hands-on labs** make ASC graduates popular with employers who flock to campus to recruit talent for internships and to hire on the spot.

Our faculty are industry experts. That's why they make excellent mentors, advisors, confidants, and role models.

Thanks to input from alumni and employers, we know what's needed on the job so you can exceed expectations in your career.

Learn the skills needed with tools and software just like the pros!

Even before graduation, Pioneers celebrate their new careers during ASC Signing Day. Matt is excited to launch his career at Moog, Inc.

**The Center for Academic Resources and Excellence (CARE) shows how much we CARE about you staying on track for graduating and launching your career.**

CARE empowers students to reach their educational, personal, and professional goals by providing academic advising, study tips, tutoring, and supplemental instruction when you want help. Through Starfish, students receive a cheer when they succeed or an urgent notice when action is needed. This keeps faculty and students communicating to make progress together.

# APPLYING IS EASY.

Alfred State is test optional and offers rolling admission, accepting students on a first-come, first-served basis for most majors.

Our holistic review of applications includes:

- High school GPA and rank
- Official school transcripts
- A personal essay
- Grades from college coursework
- Extracurricular activities
- Letters of recommendation
- Performance in required subjects
- Program requirement needs
- Work experience
- Standardized test scores (optional).

**NOTE:** applicants for **radiologic technology** and **diagnostic medical sonography** are encouraged to apply prior to Dec. 1 in order to be included in the priority review process. Job shadowing is strongly encouraged. **Architecture (BArch)** applicants are required to submit a portfolio of creative work that demonstrates their interest in design and the built environment. The portfolio should focus mainly on the representation of space, but may also include a small representation of creative work such as woodworking, crafts, graphic design, and/or other creative. Each portfolio should be a balanced representation of both two- and three-dimensional works.

**Undecided Students:** If you aren't ready to pick a career path or feel like you have too many interests pulling you in different directions, you are not alone – and we are here to help! We have an entire department devoted to flexible degrees and individual studies.

To apply, complete either the SUNY Application or the Common Application online.
