PRACTICE MAKES PROFESSIONAL

Our career focus and **200+ hands-on labs** make ASC graduates popular with employers who flock to campus to recruit talent for internships and to hire on the spot.

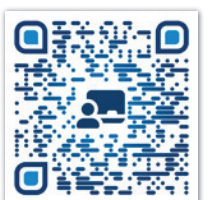

Our faculty are industry experts. That's why they make excellent mentors, advisors, confidants, and role models.

Thanks to input from alumni and employers, we know what's needed on the job so you can exceed expectations in your career.

LEARN THE
SKILLS NEEDED
WITH TOOLS
AND SOFTWARE
JUST LIKE
THE PROS!

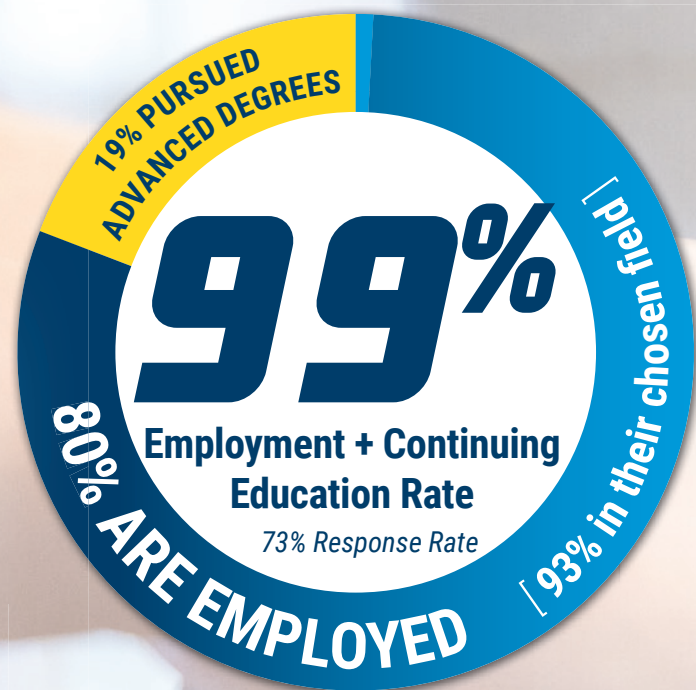

At Alfred State, learning happens in and outside of the classroom. Internship opportunities help students to put their skills into action, build their resumes, and launch their careers even before graduation.

Low Tuition. Big Returns.

US News ranks Alfred State No. 10 among all universities and colleges in the United States for an excellent education at such a low cost. That means you can cash-in with hands-on learning from expert faculty at a price lower than colleges and universities in your state.

Alfred State offers tuition at only \$7,070 for a high-quality SUNY degree. This incredible value is available to residential students from any state thanks to ASC Freeway Scholarships. This savings is available for all four years for full-time residential students in good academic standing.

Compare Alfred State to average tuition costs in your state:

EducationData.org/average-cost-of-college-by-state [7/2025]

The Center for Academic Resources and Excellence (CARE) shows how much we CARE about you staying on track for graduating and launching your career.

CARE empowers students to reach their educational, personal, and professional goals by providing academic advising, study tips, tutoring, and supplemental instruction when you want help. Through Starfish, students receive a cheer when they succeed or an urgent notice when action is needed. This keeps faculty and students communicating to make progress together.

Primary ASC Services:

- 24/7 Campus Safety, University Police
- Accessibility Services, ADA
- ACES - Dining, Retail, Transportation
- Alfred State Edge Program (ASEP)
- Educational Opportunity Program, SUNY (EOP)
- Health & Wellness Services
- Residential Life
- Student Records & Financial Services
- Student Success Center, Advising, Tutoring
- Technical Service Help Desk

We Help You Launch Your Career

Students and alum are invited to use our many tools and ask for advice to find the right job. Alfred State also hosts hundreds of employers who visit campus and are ready to hire.

Travis Cooney
Welding Technology
Spethport, PA

I enjoy working with my hands and going into my senior year I wasn't sure what I wanted to do so I was able to get some side work with welding and I really enjoyed it.

The program is focused on welding. In the classroom you learn about what you are going to do in the lab. If you have questions, you can address it in the classroom the next day."

Samuel Robinson
Digital Media and Animation
Kingston, Jamaica

I have always liked making videos and drawing art so digital media was just that hub that encompassed everything. I like the wide range of topics and skills I'm being taught.

You learn so much. It makes it easy to identify the things you like and put together your own style. That is what I really love about the digital media program."

Amanda Brady
Forensic Science
Technology/Biological
Sciences
Hawthorne, NJ

I was looking for a FEPAC accredited school and that left me with three options withing an eight-hour radius. Alfred State had the best instrumentation and the most hands-on experiences. Alfred State also starts with forensic classes in your first year.

I was the VP and co-founder of the fencing club and that opportunity allowed me to become a leader and build more confidence in myself."

WE MAKE IT EASY TO BECOME A PIONEER

Our admissions staff is eager to answer questions and show you around campus. Once you see the campus in action you will see why Alfred State College should be your top choice!

APPLYING IS EASY.

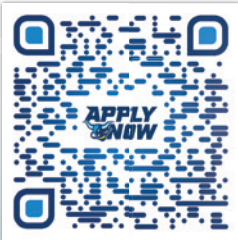

Alfred State is test optional and offers rolling admission, accepting students on a first-come, first-served basis for most majors.

Our holistic review of applications includes:

- High school GPA and rank
- Official school transcripts
- A personal essay
- Grades from college coursework
- Extracurricular activities
- Letters of recommendation
- Performance in required subjects
- Program requirement needs
- Work experience
- Standardized test scores (optional).

NOTE: applicants for **radiologic technology** and **diagnostic medical sonography** are encouraged to apply prior to Dec. 1 in order to be included in the priority review process. Job shadowing is strongly encouraged. **Architecture (BArch)** applicants are required to submit a portfolio of creative work that demonstrates their interest in design and the built environment. The portfolio should focus mainly on the representation of space, but may also include a small representation of creative work such as woodworking, crafts, graphic design, and/or other creative. Each portfolio should be a balanced representation of both two- and three-dimensional works.

Undecided Students: If you aren't ready to pick a career path or feel like you have too many interests pulling you in different directions, you are not alone – and we are here to help! We have an entire department devoted to flexible degrees and individual studies.

To apply, complete either the SUNY Application or the Common Application online.

AlfredState.edu/apply

Alfred State majors offer a seamless transition where you stack your two-year degree with only two more years to earn a full bachelor's degree, including the popular Technology Management (BBA) built for completion online!
