Pet-friendly Residence
Veterinary Evaluation Form

(Shaded cells are for office use only)

① Student Applicant Information

Student Name:		Student ID:	

② Pet Information

Pet Name:		Species: ☐ Dog (under 40 lbs.) ☐ Cat ☐ Rabbit

Breed (if known): The following canine and feline breeds or any mix of these breeds, or any animal exhibiting aggressive tendencies, are not allowed in pet-friendly residence at any time. Does the pet represented by this application offer any indication of pure or mixed genetics for the following breeds?

○ Alaskan Malamute	○ Doberman Pinscher	○ Papillon
○ Beagle	○ Giant Schnauzer	○ Pekinese
○ Boxer	○ German Shepherd	○ Pit Bulls
○ Bull Dog	○ Great Dane	○ Presa Canario
○ Chihuahua	○ Jack Russell Terrier	○ Rottweiler
○ Chow	○ Lhasa Apso	○ Siberian Husky
○ Cocker Spaniel	○ Mastiff	○ Springer Spaniel
○ Dachshund	○ Miniature Pinscher	○ Toy Poodle
○ Dalmatian	○ Old English Sheep Dog	○ Bangel Cat

③ Behavioral Assessment

Please provide a behavioral assessment of the suitability of this pet to reside in a controlled collegiate residential environment. The scope of that assessment should mirror contemporary standards in the discipline and should provide an accurate representation of the veterinarian's professional opinion for successful transition.
