Recertification Program Information

The option for recertification is for a currently certified person who has had at least one in person certification at either Alfred State or Advance Testing Company to take the written test only if the certified person has been tested by an IAST 2 times in the 5-year certification period. One of these tests by an IAST needs to be in the 18 months prior to recertification. The IAST records will be based upon NYSDOT records. Please contact CCET at 607- 587-4017 to ensure you are on the IAST approved list before sending in your registration.

Recertification cost is \$395 and includes the study manual.
